

GENESEO HIGH SCHOOL  
OVERNIGHT TRIP

from Bob Pettit  
12/15/16

If you are planning an overnight athletic or fine arts trip for a non post-season IHSA activity, forms 1 & 2 for overnight athletic/fine arts trips need to be completed by the specified deadline.

As you are planning your trip, please be reminded of the Geneseo School District #228 core values.

Geneseo School District #228 has four core values in place for our students:

- Maximizing student achievement by setting high expectations for achievement,
- Creating a safe and caring learning environment,
- Establishing effective and efficient operations, and
- Ensuring that we are stewards of the District's finances.

The School District will pay for transportation within a 250-mile radius. Anything outside of that range will be paid for by the booster group at a rate of Pink's Bus Service.

The School District will not pay for hotel expenses or meals.

### **Form 1: Overnight Trip Information**

Form 1 needs to be completed 90 days before the trip so the Geneseo District #228 School Board can approve the information.

(Once Board has approved an overnight trip, the Athletic Director or Assistant Principal must approve any modifications)

A complete itinerary needs to be attached to form 1 when it is turned in for approval.

The itinerary needs to include:

- Timeline (the timeline needs to be specific and include departure & return dates and times)
- Activities planned during the trip
- Approximate times you will be at the hotel for contact purposes
- A complete list of students, coaches, sponsors, chaperones, etc. that will be on the trip

Form 1 and your itinerary needs to be turned in to Mr. Mackey (Athletics) or Mr. O'Dell (Other Activities). This is step 4 on the Overnight Trip Checklist (Form 2).

### **Form 2: Overnight Trip Checklist**

Form 2 needs to be completed and turned in to Mr. Mackey (Athletics) or Ms. Griffith (Activities) 2 weeks prior to departure.
