

### **Application for Recognition of Public Schools 2016-17**

Annually, the Illinois State Board of Education requires districts to resolve that they have complied with certain regulations of state law and ISBE rules and regulations. In addition to approving these forms for each school building, the District submits to certain audits conducted by the Regional Office of Education.

Within this packet, as part of the Consent Agenda, you will see an example of the Application for Millikin School. The form looks exactly the same for all schools, and the responses for all five schools are in the affirmative, therefore to avoid redundancy, you only see one school listed, but the resolution is to approve all schools.

We also must comply with employment of licensed paraprofessionals, and those are so noted for each school. We would also need to list new principals hired, which only applies to Millikin this year.

We appreciate your approval of this application for all five of our schools to allow submittal to the Regional Office of Education for their next steps.
