February 6, 2019

We have used 8 emergency (snow) days so far this school year (11/26, 1/23, 1/25, 1/28, 1/29, 1/30, 1/31, 2/6). School code requires 176 days of student attendance with 5 emergency days added to the end of the school year to use at your discretion to replace 5 attendance days when necessary. A Board can choose to have additional emergency days added to the year, beyond the 5 required, if they so choose. The calendar we currently have approved in IWAS has 8 total emergency days.

As it stands, we would be in attendance until **Thursday, June 13th**.

Because of our construction at Southwest last summer and the unusual winter we have had, I am proposing some alternatives.

1. Presidents Day (February 18) is a Federal holiday, but not a legal Illinois school holiday and may be utilized as a day of student attendance.
2. We could use any combination of day(s) from our spring break (3/25-3/29) as a student attendance day(s).
3. We could have a student attendance day on Monday, April 22 (Easter break).
4. We could request with the ROE and the State Superintendent to have any additional Emergency day beyond the 5 mandated days, to be waived as Act of God days. Recent communication from IASA and ISBE lead me to believe that many school districts will be making this request this year and that they will be granted the request.

Enacting any combination of #1-4 would move up our last day of student attendance.

Because of the late notice for President's Day and any already arranged vacations during spring break, I recommend options #3 and #4 to bring our last day of student attendance be **Friday, June 7th**.
