✓ Updates

- Thank you for a productive **Goal Setting** Special Meeting on October 1. The Board made significant progress toward setting long-term goals for our 3-5 year plan. These will be voted on at our October Board meeting. Following the approval of the goals, we will begin working on the detailed Strategic Plan outlining the ways in which we will accomplish the Board goals.
- Last week I attended the **IASA Superintendent Conference** in Springfield. I was able to spend time with my new superintendent cohort, learning and growing alongside others that are new to the profession and our expert mentors. The rest of the conference was filled with informative sessions and inspirational stories. It was a chance for me to grow my understanding of the role and make some great connections.
- The **Board Finance and Facilities Committees** met on September 30 to go through updates and begin some forward planning. These were facilitated by Mr. Gronski and details will be presented at the October Board meeting.
- A huge congratulations to our Geneseo Marching Band, **The Sound of Geneseo**, for their success at the Normal Marching Band Invitational on September 27. Their performance, "In the Heights," won several accolades including the Overall Grand Champion Title. They also earned first place in 4A and swept all categories, including Best Percussion, Best Guard/Auxiliary, and Best Winds!
- Geneseo High School **FFA** members have launched a new podcast, **Conversations in Corduroy**. This show will highlight agricultural education through storytelling while highlighting local organizations.
