Please allow me to echo the appreciation from Dr. Koch, our Illinois State Superintendent of Schools. Both Northside and Southwest have achieved recognition for distinguished achievement on state tests. Here is the text from Dr. Koch. Northside and Southwest have been designated with Academic Excellence Awards. While the District strives to focus much more diligently on our own curricular and instructional excellence, it is wonderful to receive such validation externally when compared to peer schools.

"This week we are honoring the 834 schools that have been named to the 2010 Illinois Honor Roll. These schools are being singled out for making academic progress and the Honor Roll includes 71 schools that are being recognized for their seventh or eighth year. The 2010 Honor Roll includes schools from 364 districts statewide, with downstate schools representing 45 percent of the Honor Roll Schools, suburban schools representing 43 percent and Chicago schools representing 12 percent. In total, there were 852 awards this year in three categories.

- *Spotlight Schools – Recognizes 300 high-poverty, high-performing schools that are beating the odds to overcome the achievement gap.*
- *Academic Excellence Awards – 459 schools have sustained high performance over at least three years.*
- *Academic Improvement Awards – 93 schools are showing substantial improvement.*

Congratulations to the staff and students at all of these schools that were named to the list. While we know that in some instances additional improvements are absolutely needed, this shows that growth is being made and progress in these schools is moving forward."

Re: Academic Excellence Award -- 2010 Illinois Honor Roll

Dear Principal:

Congratulations! Your school has earned an Academic Excellence Award! The Illinois State Board of Education commends you and your faculty on all the good work required to sustain academic excellence in your school.

Across the state, 459 schools earned the Academic Excellence Award for 2010. Many of these schools receive national recognition for their long-time exemplary performance.

To earn an Academic Excellence Award, a school must meet the following criteria:

- Schools must have made Adequate Yearly Progress in 2009 and 2010 as required by No Child Left Behind.
- In schools serving grades 8 and below, 90 percent of students must have met or exceeded state standards in both reading and mathematics for the three most recent school years;
- In high schools, 80 percent of students must have met or exceeded state standards in both reading and mathematics for the three most recent school years.

Enclosed you will find a certificate commemorating this award. At <http://www.ilhonorroll.niu.edu> you can learn more about the Illinois Honor Roll, which includes three categories of awards – Spotlight Schools, Academic Improvement and Academic Excellence. At this website, you will find a page devoted to your school and a customized logo for your use. Also, you will find the criteria for the awards and a full list of award winners.

We encourage you to celebrate your success and share your good news with students, parents and all community partners. Again, I extend my congratulations and very best wishes for continuing success.

Sincerely,

A handwritten signature in black ink that reads "Christopher Koch".
