

## **GENESEO COMMUNITY CENTER MEMBERSHIP AGREEMENT**

Under our Health Insurance Plan, the Geneseo School District has traditionally held a “Business Membership” with the Geneseo Community Center. This agreement allows all employees (both part-time and full-time) the opportunity to enroll in a membership plan of their choosing at a discounted rate. Our current membership agreement ends on October 31, 2015. For this past year, the District has had 100 people take advantage of this membership.

It is my recommendation that the District renew the Geneseo Community Center Business Membership for \$300 which will offer employees a 10% rate reduction. This \$300 fee paid by the District to the Community Center will be expensed out of the District’s Health Insurance Plan.
