

# **ROCK RIVER ALTERNATIVE PROGRAM**

## **MONTHLY REPORT**

This month we ended with 11 students, 8 middle school and 3 high school. We have two new students on the way both in the high school section. During February, we had four students attend the Alternative to Suspension Program.

The in-school suspension room had seven students assigned there during the month. We only had two students earn an out-of-school suspension in February.

The students visited the John Deere Administrator Center and the Geneseo Museum continuing to study the geography and the history of the area.
