

2009-2010 Dance Policy

Proposal:

To allow Geneseo HS Juniors and Seniors who currently are ineligible to attend the 2010 Prom under the current 2009-2010 Dance Policy the opportunity to do so by completing a community service project prior to Sunday, April 25th. This opportunity does not apply to students who fall under the *Social Probation* restrictions. One possible community service project would be to clean 1 mile of E. 1200th St. between Route 6 and Wolf Rd.

Rational:

With the assumption that the Geneseo School Board will approve the recommended changes of the HS Handbook Committee, the Dance Policy will be deleted from the 2010-2011 Geneseo HS Handbook. To totally nullify the policy at this time would not take into consideration that students should have been aware of the consequences of their actions by signing the 2009-2010 HS Handbook acknowledgement form. But, under the circumstances, I believe they should have an opportunity at this time to redeem themselves in order to attend the Prom if they are eligible in every other regard.
