Thank You!

How It Will Look At GHS

- **Who?**

- Seniors will have the opportunity to take a full year elective course entitled “**Introduction to Education and Teaching**” for the 2023-24 school year.
- Students will get **3 days of instruction and 2 days of field experience each week** at one of our schools in the district.

- **What?**

- The role of students will be to visit and observe classrooms in our district and apply knowledge they have learned in their course in those classrooms.

- **How?**

- Curriculum: The course will follow a detailed developed curriculum entitled [“Educators Rising”](#)

*Note: **This is different from past experiences of students coming over.***

How It Will Look At Our Elementary Schools

- **Schedule**
 - GHS students will attend 2 class periods/week
- **Role of Mentor Teacher**
 - Provide a learning environment that welcomes and inspires!
 - Provide opportunities for students to engage in educational experiences
- **Educator/Student Placements**
 - In order to maximize student learning experiences, schedules will be created that may allow for rotations among students and classrooms.
 - This allows for **more** teachers to be hosts.
 - Schedules will be communicated to interested host teachers in advance, once enrollment is finalized.
- **Support**
 - On-site instructor visits conducted by GHS classroom instructor.
 - On-site coaching opportunities for student with Mrs. Boone. (i.e. theory to practice discussions & debriefs).
- **Reflection**
 - Feedback and reflection check-ins to monitor needs, ideas for improvement and provide support.

I'm interested... now what?

1. Complete [“Interested Educator Survey”](#).
2. Notification will be shared confirming you as a “Mentor Teacher”.
3. Schedules will be developed and shared once mentor teacher interest and student course enrollment has been finalized.
4. Get ready to **INSPIRE** future Educators!
