

SAMs

Better Principals. Better with SAMs.™

National SAM Innovation Project

What is SAM?

- Professional development process to change a principal's focus from school management tasks to instructional leadership activities connected with teaching and learning.
- Shadowing (baseline data)
- Training
 - SAM
 - Timetrack Calendar
 - First Responders

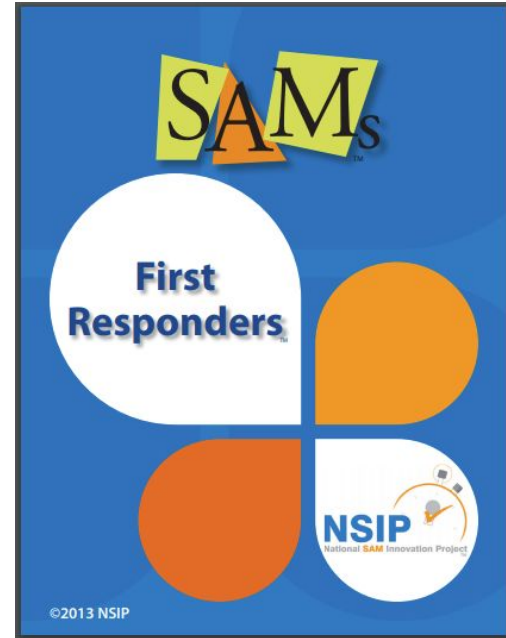

Who is the SAM?

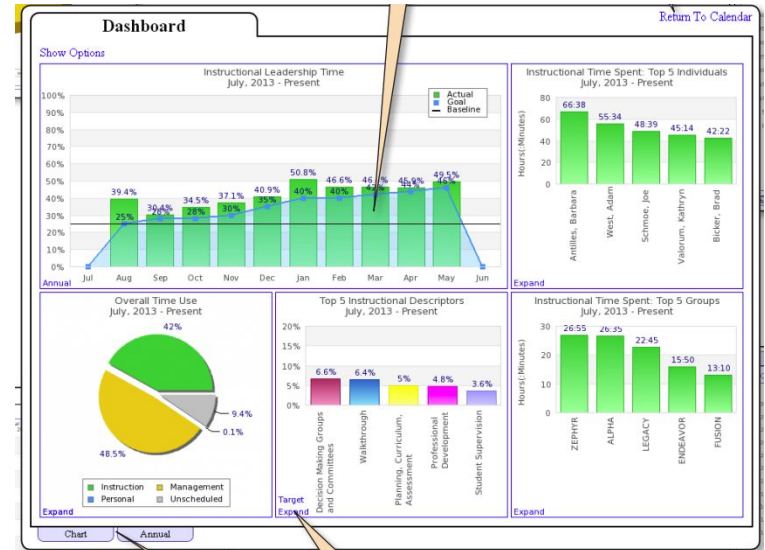

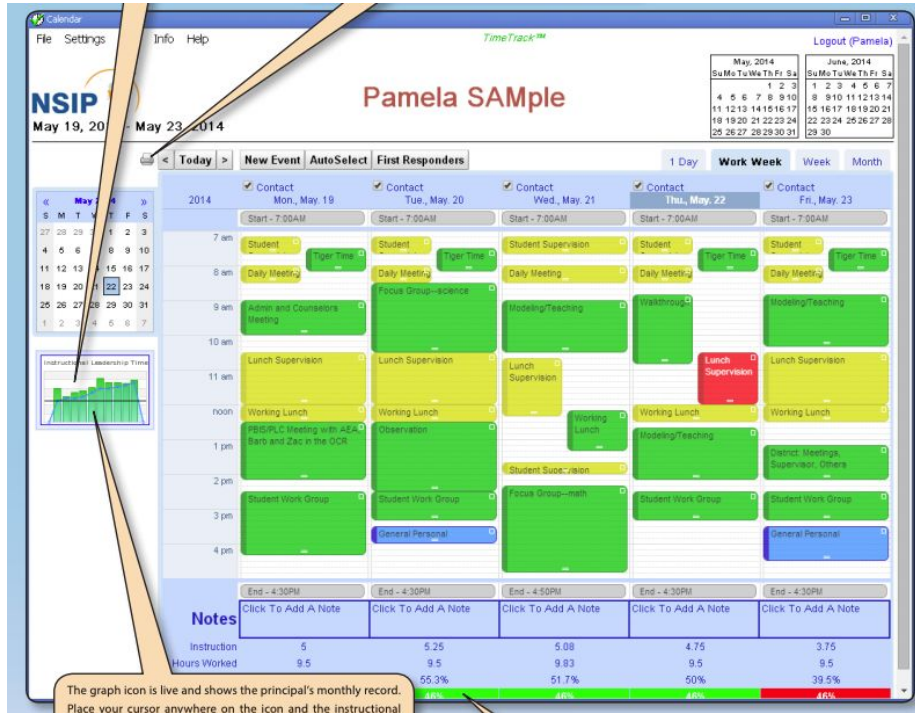

- A team or person who meets with the principal each day to:
 - Schedule instructional leadership time
 - Reflect on impact and development of first responders
 - Known as a School Aministrative Manager

What is a First Responder?

- Supports the principal's focus on instructional improvement
- Provides efficient, effective and quick response to students, staff and parents
- Builds leadership capacity within the school
- Builds a professional learning community in which responsibilities are shared
