Superintendent Report to the Board of Education

August 2025

✓ Updates

- The first day of student attendance is **Wednesday, August 13th**. Staff are excited and prepared to welcome our students back. I will have student enrollment numbers to you within the next week.
- Health Life Safety annual inspections are scheduled with the ROE for **September 4th and 5th**. Building walkthrough inspections will take place on these dates.
- We are welcoming a wonderful group of **new staff** to our district this year. They are a mix of first-year and experienced staff who are excited to join our Geneseo school community. Read about new staff [HERE](#). A list of new certified staff is included below.
- We will be honoring staff with **25 years of service** to the district at opening day on August 12. We will also honor staff member who are retiring at the end of the 2025-26 school year. A list is included below.
- **New teacher onboarding** took place August 5-7. Sessions were designed to introduce staff to our district and provide them with resources to help with a successful transition. Sessions includes support for curriculum and instruction, technology and systems, CPR/AED, school safety, instructional coaches, mentoring, and more!
- Our summer school program, **Jump Start**, took place the last two weeks of July. Students entering K, 1, and 2 were immersed in learning experiences that helped them get ready to start the year right. This program was run by Geneseo staff and was a huge success!
- A list of **key dates for 2025-26** is updated on our district website. These dates are listed to support families and community members. Dates for **Homecoming** (October 10) and the **GHS Wrestling Invitational** (Jan 15-16) have also been added.
- We have successfully launched the updated version of Skyward, called **Qmlativ**. The rollout has included a new platform for student registration as well as interface for office staff, nurses, and teachers. Hats off to our team as they have worked hard to adjust to the updated platform!
