## Updates

- GHS students again demonstrated the power of community and compassion, **raising an impressive total of \$20,873.22** during their fifth annual **Dance Marathon**. The funds will benefit the University of Iowa Stead Family Children's Hospital.
- **Illinois State Scholars** have been announced. This prestigious honor, awarded annually by the Illinois Student Assistance Commission, celebrates students who have demonstrated outstanding academic achievement, dedication, and perseverance throughout their high school careers. These students represent approximately the top 10% of high school graduates from approved schools in Illinois. Way to go, scholars!
- Congratulations to students who received recent recognitions for National Honor Society status, state wrestling tournaments, FFA events, or the 10-State Region ACDA American Choral Association Honor Choir. These are some examples of ways our students excel in the many things they do!
- As discussed at our recent **Communications Committee** meeting, we are working on ways to share our **2025-2030 Strategic Plan** with the community. One of the first steps is highlighting the [plan and its goals on GeneseoSchools.org](#).
- In case you missed it, we recently [highlighted our School Resource Officers, Amber Berthoud and George Marquez](#), on [GeneseoSchools.org](#). Together, they provide a steady, daily presence in our district and help ensure schools remain safe, supportive environments focused on both accountability and growth.
- The **5Essentials survey** remains open until March 13. We're doing our best to maximize family and student participation so we can gain insights about what is working and where we can improve.
