Exhibit – Extracurricular and Co-Curricular Student Activity or Club Request for Approval Form

In order for a club or student activity to be considered for Board approval, the following information must be submitted to the Superintendent at least 14 days prior to a regularly scheduled School Board meeting. Please print clearly in ink. Attach additional sheets if necessary.

Name of proposed Club or Student Activity:	Mathletes
Number of students expected to participate:	25
Grade levels of students involved:	Freshmen through Seniors
Name of proposed sponsor:	Scott Christensen and Rachel Tharp
Description of what students will be doing:	Competing in Mathematics Competitions; practicing various math problems
Is travel involved?	Yes
If so, how will those travel costs be handled?	District Vehicles for transportation. For entry fees, we are using the Scholastic Bowl account to track expenses.
What is the expectation for District financing of supplies and materials?	Entry Fees and Transportation Costs. Also coaches stipends per the Exploratory Club section of the contract. Mr. Christensen has been working with the club for several weeks. Mrs. Tharp will join him second semester and assist with some practices and take the team on some competitions.
Is there any additional expectation for fundraising or additional activity fees to be charged?	No
How was interest for this activity solicited?	It has been ongoing for the last couple of years. It is also a conference activity.
Why should this club be established at the current time and should it replace any of the existing clubs?	It is an exploratory club. It should not replace any existing clubs.
