

GENESEO COMMUNITY CENTER MEMBERSHIP AGREEMENT

Under our Health Insurance Plan, the Geneseo School District has traditionally held a “Business Membership” with the Geneseo Community Center. This agreement allows all District employees (both part-time and full-time) the opportunity to enroll in a membership plan of their choosing at a discounted rate. Our current membership agreement ends on October 30, 2026.

It is my recommendation that the District renew the Geneseo Community Center Business Membership for \$350 which will offer employees a 10% rate reduction. This \$350 fee paid by the District to the Community Center will be expensed out of the District’s Health Insurance Plan.
