2. Only employees who are required to use or handle information or documents that contain social security numbers shall have access to such information or documents.
3. Social security numbers requested from an individual shall be provided in a manner that makes the social security number easily redacted if the record is required to be released as part of a public records request.
4. When collecting a social security number or upon request by an individual, a statement of the purpose(s) for which the District is collecting and using the social security number shall be provided.

7. All employees must be advised of this policy's existence and a copy of the policy must be made available to each employee. The policy must also be made available to any member of the public, upon request.

No District employee shall collect, store, use, or disclose an individual's social security number unless specifically authorized by the Superintendent. *This policy shall not be interpreted as a guarantee of the confidentiality of social security numbers and/or other personal information.
