### **School District Elections**

School District elections are non-partisan, governed by the general election laws of the State, and include the election of School Board members, various public policy propositions, and advisory questions. Board members are elected at the consolidated election held on the first Tuesday in April in odd-numbered years. If, however, that date conflicts with the celebration of Passover, the consolidated election is postponed to the first Tuesday following the last day of Passover. The canvass of votes is conducted by the election authority within 21 days after the election.

The Board, by proper resolution, may cause to be placed on the ballot: (a) public policy referendum according to Article 28 of the Election Code, or (b) advisory questions of public policy according to Section 9-1.5 of the School Code.

The Board Secretary serves as the local election official. He or she receives petitions for the submission of a public question to referenda and forwards them to the proper election officer and otherwise provides information to the community concerning District elections.

### School Board Meeting Procedure

#### Agenda

The School Board President is responsible for focusing the Board meeting agendas on appropriate content. The Superintendent shall prepare agendas in consultation with the Board President. The President shall designate a portion of the agenda as a consent agenda for those items that usually do not require discussion or explanation before Board action. Upon the request of any Board member, an item will be withdrawn from the consent agenda and placed on the regular agenda for independent consideration.

Each Board meeting agenda shall contain the general subject matter of any item that will be the subject of final action at the meeting. Items submitted by Board members to the Superintendent or the President shall be placed on the agenda for an upcoming meeting. District residents may suggest inclusions for the agenda. The Board will take final action only on items contained in the posted agenda; items not on the agenda may still be discussed.

The Superintendent shall provide a copy of the agenda, with adequate data and background information, to each Board member at least 48 hours before each meeting, except a meeting held in the event of an emergency. The meeting agenda shall be posted in accordance with Board policy 2:200, *Types of School Board Meetings*.

The Board President shall determine the order of business at regular Board meetings. Upon consent of a majority of members present, the order of business at any meeting may be changed.

#### Voting Method

Unless otherwise provided by law, when a vote is taken upon any measure before the Board, with a quorum being present, a majority of the votes cast shall determine its outcome. A vote of *abstain* or *present*, or a vote other than *yea* or *nay*, or a failure to vote, is counted for the purposes of determining whether a quorum is present. A vote of *abstain* or *present*, or a vote other than *yea* or *nay*, or a failure to vote, however, is not counted in determining whether a measure has been passed by the Board, unless otherwise stated in law. The sequence for casting votes is rotated **after each vote**.

On all questions involving the expenditure of money and on all questions involving the closing of a meeting to the public, a roll call vote shall be taken and entered in the Board's minutes. An individual Board member may request that a roll call vote be taken on any other matter; the President or other presiding officer may approve or deny the request but a denial is subject to being overturned by a majority vote of the members present.

#### Minutes

The Board Secretary shall keep written minutes of all Board meetings (whether open or closed), which shall be signed by the President and the Secretary. The minutes include:

1. The meeting's date, time, and place;
2. Board members recorded as either present or absent;
3. A summary of the discussion on all matters proposed, deliberated, or decided, and a record of any votes taken;
4. On all matters requiring a roll call vote, a record of who voted *yea* and *nay*;
5. If the meeting is adjourned to another date, the time and place of the adjourned meeting;

6. The vote of each member present when a vote is taken to hold a closed meeting or portion of a meeting, and the reason for the closed meeting with a citation to the specific exception contained in the Open Meetings Act authorizing the closed meeting;
7. A record of all motions, including individuals making and seconding motions;
8. Upon request by a Board member, a record of how he or she voted on a particular motion; and
9. The type of meeting, including any notices and, if a reconvened meeting, the original meeting's date.

The minutes shall be submitted to the Board for approval or modification at its next regularly scheduled open meeting. Minutes for open meetings must be approved within 30 days after the meeting or at the second subsequent regular meeting, whichever is later.

At least semi-annually in an open meeting, the Board: (1) reviews minutes from all closed meetings that are currently unavailable for public release, and (2) decides which, if any, no longer require confidential treatment and are available for public inspection. The Board may meet in a prior closed session to review the minutes from closed meetings that are currently unavailable for public release.

The Board's meeting minutes must be submitted to the Board Treasurer at such times as the Treasurer may require.

The official minutes are in the custody of the Board Secretary. Open meeting minutes are available for inspection during regular office hours within 10 days after the Board's approval; they may be inspected in the District's main office, in the presence of the Secretary, the Superintendent or designee, or any Board member. Minutes from closed meetings are likewise available, but only if the Board has released them for public inspection. The minutes shall not be removed from the Superintendent's office except by vote of the Board or by court order.

The Board's open meeting minutes shall be posted on the District website within 10 days after the Board approves them; the minutes will remain posted for at least 60 days.

#### Verbatim Record of Closed Meetings

The Superintendent, or the Board Secretary when the Superintendent is absent, shall audio record all closed meetings. If neither is present, the Board President or presiding officer shall assume this responsibility. After the closed meeting, the person making the audio recording shall label the recording with the date and store it in a secure location. The Superintendent shall ensure that: (1) an audio recording device and all necessary accompanying items are available to the Board for every closed meeting, and (2) a secure location for storing closed meeting audio recordings is maintained close to the Board's regular meeting location.

After 18 months have passed since being made, the audio recording of a closed meeting is destroyed provided the Board approved: (1) its destruction, and (2) minutes of the particular closed meeting.

Individual Board members may listen to verbatim recordings when that action is germane to their responsibilities. In the interest of encouraging free and open expression by Board members during closed meetings, the recordings of closed meetings should not be used by Board members to confirm or dispute the accuracy of recollections.

#### Quorum and Participation by Audio or Video Means

A quorum of the Board must be physically present at all Board meetings. A majority of the full membership of the Board constitutes a quorum.

Provided a quorum is physically present, a Board member may attend a meeting by video or audio conference if he or she is prevented from physically attending because of: (1) personal illness or disability, (2) employment or District business, or (3) a family or other emergency. If a member wishes to attend a meeting by video or audio means, he or she must notify the recording secretary or

Superintendent at least 24 hours before the meeting unless advance notice is impractical. The recording secretary or Superintendent will inform the Board President and make appropriate arrangements. A Board member who attends a meeting by audio or video means, as provided in this policy, may participate in all aspects of the Board meeting including voting on any item.

#### Rules of Order

Unless State law or Board-adopted rules apply, the Board President, as the presiding officer, will use Robert's Rules of Order, Newly Revised (10th Edition), as a guide when a question arises concerning procedure.

#### Broadcasting and Recording Board Meetings

Any person may record or broadcast an open Board meeting. Special requests to facilitate recording or broadcasting an open Board meeting, such as seating, writing surfaces, lighting, and access to electrical power, should be directed to the Superintendent at least 24 hours before the meeting.

Recording meetings shall not distract or disturb Board members, other meeting participants, or members of the public. The Board President may designate a location for recording equipment, may restrict the movements of individuals who are using recording equipment, or may take such other steps as are deemed necessary to preserve decorum and facilitate the meeting.

### Board Policy Development

The School Board governs using written policies. Written policies ensure legal compliance, establish Board processes, articulate District ends, delegate authority, and define operating limits. Board policies also provide the basis for monitoring progress toward District ends.

#### Policy Development

Anyone may propose new policies, changes to existing policies, or ~~elimination~~ **deletion** of existing policies. Staff suggestions shall be processed through the Superintendent. Suggestions from all others shall be made to the Board President or the Superintendent.

~~The~~ **A** Board Policy/~~Curriculum~~ Committee may consider policy suggestions, and provide information and recommendations to the Superintendent. The Superintendent may then make a final recommendation to the full School Board.

The Superintendent is responsible for: (1) providing relevant policy information and data to the Board, (2) notifying those who will implement or be affected by or required to implement a proposed policy and obtaining their advice and suggestions, and (3) having policy recommendations drafted into written form for Board deliberation. The Superintendent shall seek the counsel of the Board Attorney when appropriate.

#### Policy Adoption and Dissemination

Policies or policy revisions will not be adopted at the Board meeting at which they are first introduced, except when: (1) appropriate for a consent agenda because no Board discussion is required, or (2) necessary or prudent in order to meet emergency or special conditions or to be legally compliant. Further Board consideration will be given at a subsequent meeting(s) and after opportunity for community input. The adoption of a policy will serve to supersede all previously adopted policies on the same topic.

The Board policies are available for public inspection in the District's main office during regular office hours. Copy requests should be made pursuant to Board policy 2:250, *Access to District's Public Records*.

#### Board Policy Review and Monitoring

The Board will periodically review its policies for relevancy, monitor its policies for effectiveness, and consider whether any modifications are required. The Board may use an annual policy review and monitoring calendar.

#### Superintendent Implementation

The Board will support any reasonable interpretation of Board policy made by the Superintendent. If reasonable minds differ, the Board will review the applicable policy and consider the need for further clarification.

In the absence of Board policy, the Superintendent is authorized to take appropriate action.

Suspension of Policies

The Board, by a majority vote of members present at any meeting, may temporarily suspend a Board policy except those provisions that are controlled by law or contract. The failure to suspend with a specific motion does not invalidate the Board action.

### Program Evaluation Philosophy

The Board of Education desires to support the design, implementation, monitoring and evaluation of quality instructional and operational programs.

In order for the School Board to monitor and evaluate whether the educational program is attaining approved and desired objectives, the Board shall direct and support the Superintendent to engage in the following:

- a. A self-evaluation of its own performance as a Board Governing Team at least every two years.
- b. A review and evaluation of the present curriculum, co-curricular, extra-curricular and operational programs and initiatives at least every two years.
- c. A review and projection of curricular, personnel and instructional resource needs at least every two years.
- d. A review of present and future facility needs at least every two years.

The Board further believes that Program Evaluation is the systematic assessment of the worth or merit of some object.

### Goals of Program Evaluation

1. To provide feedback relative to a clear goal or outcome of a program, position, or process.
2. Feedback is useful when it helps make decisions, and leads to richer questions.

### Four Types of Evaluation for Our District

**Needs Assessment:** Should be completed prior to implementation, but would also provide information as to sustainability and long-term viability of a program. Needs to ask who is being served, for what purpose, and for what outcomes.

**Process Evaluation:** What are the steps involved in providing a specific program, what resources are needed including costs, human resources, time, space, special assistance, etc.

**Outcome Evaluation:** Answers the question, "Did the program, process, or person cause the intended effect on the specifically desired target outcome(s)?"

**Cost Analysis:** After a determination is completed of the three previous evaluation types, a cost analysis helps provide the information necessary for decision-makers to decide whether or not the costs are feasible to absorb in achieving the desired outcome. This may also involve cost trends and alternative sources of revenues.

### **Access to District Public Records**

Full access to the District's *public records* is available to any person as provided in the Illinois Freedom of Information Act (FOIA), this policy, and implementing procedures.

#### Freedom of Information Officer

The Superintendent shall serve as the District's Freedom of Information Officer and ~~is assigned~~ **assumes** all the duties and powers of that office as provided in FOIA and this policy. The Superintendent may delegate these duties and powers to one or more designees, but the delegation shall not relieve the Superintendent of the responsibility for the action that was delegated. The Superintendent or designee(s) shall report any FOIA requests and the status of the District's response to the Board at each regular Board meeting.

#### Definition

The District's *public records* are defined as records, reports, forms, writings, letters, memoranda, books, papers, maps, photographs, microfilms, cards, tapes, recordings, electronic data processing records, electronic communications, recorded information and all other documentary materials pertaining to the transaction of public business, regardless of physical form or characteristics, having been prepared by or for, or having been or being used by, received by, in the possession of, or under the control of the School District.

#### Requesting Records

A request for inspection and/or copies of public records must be made in writing and may be submitted by personal delivery, mail, telefax, or email directed to the District's Freedom of Information Officer. Individuals making a request are not required to state a reason for the request other than to identify when the request is for a commercial purpose or when requesting a fee waiver. All requests for inspection and copying shall immediately be forwarded to the District's Freedom of Information Officer or designee. ~~Oral requests may be accepted provided personnel are available to handle them.~~

#### Responding to Requests

The Freedom of Information Officer shall approve all requests for public records unless:

1. The requested material does not exist;
2. The requested material is exempt from inspection and copying by the Freedom of Information Act; or
3. Complying with the request would be unduly burdensome.

Within 5 business days after receipt of a request for access to a public record, the Freedom of Information Officer shall comply with or deny the request, unless the time for response is extended as specified in Section 3 of FOIA. The Freedom of Information Officer may extend the time for a response for up to 5 business days from the original due date. If an extension is needed, the Freedom of Information Officer shall: (1) notify the person making the request of the reason for the ~~delay~~ **extension**, and (2) either inform the person of the date on which a response will be made, or agree with the person in writing on a compliance period.

Notwithstanding the above, the Freedom of Information Officer shall respond to requests for *commercial purposes* and to *recurrent requesters* (as those terms are defined in Section 2 of FOIA) according to Sections 3.1 and 3.2 of FOIA.

When responding to a request for a record containing both exempt and non-exempt material, the Freedom of Information Officer shall redact exempt material from the record before complying with the request.

### Copying Fees

Persons making a request for copies of public records must pay any applicable copying fee. The Freedom of Information Officer shall, as needed, recommend a copying fee schedule for the Board's approval. Copying fees, except when fixed by statute, are reasonably calculated to reimburse the District's actual cost for reproducing and certifying public records and for the use, by any person, of its equipment to copy records. No fees shall be charged for the first 50 pages of black and white, letter or legal sized copies. No **copying** fee shall be charged for electronic copies other than the actual cost of the recording medium.

### Fees for Responding to a Request for a Commercial Purpose

In addition to copying fees, persons making a request for a *commercial purpose*, as defined in FOIA, must pay a fee of \$10 for each hour spent by personnel in searching for and retrieving the record. However, no fees shall be charged for the first 8 hours spent by personnel in searching for or retrieving a requested record. The District also charges the actual cost of retrieving and transporting public records from an off-site storage facility when the public records are maintained by a third-party storage facility under contract with the District. Whenever the District charges any fees to a requester making a commercial request, the Freedom of Information Officer shall provide the requester with an accounting of all fees, costs, and personnel hours in connection with the request for public records.

### Access

The inspection and copying of a public record that is the subject of an approved access request is permitted at the District's administrative office during regular business hours, unless other arrangements are made by the Freedom of Information Officer.

Many public records are immediately available from the District's website including, but not limited to, a description of the District and the methods for requesting a public record.

### Preserving Public Records

Public records, including email messages, shall be preserved and cataloged if: (1) they are evidence of the District's organization, function, policies, procedures, or activities, (2) they contain informational data appropriate for preservation, (3) their retention is required by State or federal law, or (4) they are subject to a retention request by the Board Attorney (e.g. a litigation hold), District auditor, or other individual authorized by the School Board or State or federal law to make such a request. Unless its retention is required as described in items numbered 3 or 4 above, a public record, as defined by the Illinois Local Records Act, may be destroyed when authorized by the Local Records Commission.

Use of this grievance procedure **is not** a prerequisite to the pursuit of other remedies and use of this grievance procedure does not extend any filing deadline related to the pursuit of other remedies. All deadlines under this procedure may be extended by the Complaint Manager as he or she deems appropriate. As used in this policy, "school business days" means days on which the District's main office is open.

### **Filing a Complaint**

A person (hereinafter Complainant) who wishes to avail him or herself of this grievance procedure may do so by filing a complaint with any District Complaint Manager. The Complainant shall not be required to file a complaint with a particular Complaint Manager and may request a Complaint Manager of the same gender. The Superintendent will keep the Board informed of all complaints.

#### Decision and Appeal

Within 5 school business days after receiving the Complaint Manager's report, the Superintendent shall mail his or her written decision to the Complainant by U.S. mail, first class, as well as to the Complaint Manager.

### Family and Medical Leave

#### Leave Description

An eligible employee may use unpaid family and medical leave (FMLA leave), guaranteed by the federal Family and Medical Leave Act. ~~The U.S. Department of Labor's rules (federal rules) implementing FMLA, as they may be amended from time to time, control FMLA leave. for up to a combined total of 12 weeks each year, beginning September 1 and ending August 31 of the next year.~~

~~An eligible employee must first exhaust available paid personal and/or sick leave before utilizing unpaid leave within the 12-week period.~~ **may take FMLA leave for up to a combined total of 12 weeks each 12-month period, on a "rolling" 12-month basis.**

During a single 12-month period, an eligible employee's FMLA leave entitlement may be extended to a total of 26 weeks of unpaid leave to care for a covered servicemember (defined **in the federal rules herein**) with a serious injury or illness. The "single 12-month period" is measured forward from the date the employee's first FMLA leave to care for the covered servicemember begins.

While FMLA leave is normally unpaid, the District will substitute an employee's accrued compensatory time-off and/or paid leave for unpaid FMLA leave. All policies and rules regarding the use of paid leave apply when paid leave is substituted for unpaid FMLA leave. Any substitution of paid leave for unpaid FMLA leave will count against the employee's FMLA leave entitlement. Use of FMLA leave shall not preclude the use of other applicable unpaid leave that will extend the employee's leave beyond 12 weeks, provided that the use of FMLA leave shall not serve to extend such other unpaid leave. Any full workweek period during which the employee would not have been required to work, including summer break, winter break and spring break, is not counted against the employee's FMLA leave entitlement.

FMLA leave is available in one or more of the following instances:

1. The birth and first-year care of a son or daughter.
2. The adoption or foster placement of a son or daughter, including absences from work that are necessary for the adoption or foster care to proceed and expiring at the end of the 12-month period beginning on the placement date.
3. The serious health condition of an employee's spouse, child, or parent.
4. The employee's own serious health condition that makes the employee unable to perform the functions of his or her job.
5. The existence of a qualifying exigency arising out of the fact that the employee's spouse, child, or parent is a ~~covered~~ military member on **covered** active duty or has been notified of an impending call or order to active duty, **as provided by federal rules.** ~~in support of a contingency operation. A "covered military member" must be either a member of a Reserve component or a retired member of the regular Armed Forces or Reserve. "Qualifying exigencies" exist in the following categories: short notice deployment, military events and related activities, childcare and school activities, financial and legal arrangements, rest and recuperation, post-deployment activities, and additional activities as provided in the FMLA regulations.~~
6. To care for the employee's spouse, child, parent, or next of kin who is a covered servicemember with a serious injury or illness **as provided by federal rules.** ~~A "covered servicemember" is a member of the Armed Forces, including a member of the National Guard or Reserves, who has a serious injury or illness incurred in the line of duty for which~~

~~he or she is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list.~~

If spouses are employed by the District, they may together take only 12-weeks for FMLA leaves when the reason for the leave is 1 or 2, above, or to care for a parent with a serious health condition, or a combined total of 26 weeks for item 6 above.

An employee may be permitted to work on an intermittent or reduced-leave schedule in accordance with **federal rules**. ~~FMLA regulations.~~

### Eligibility

To be eligible for FMLA leave, an employee must be employed at a worksite where at least 50 employees are employed within 75 miles. In addition, one of the following provisions must describe the employee:

1. The employee has been employed by the District for at least 12 months and has been employed for at least 1,250 hours of service during the 12-month period immediately before the beginning of the leave. The 12 months an employee must have been employed by the District need not be consecutive. However, the District will not consider any period of previous employment that occurred more than 7 years before the date of the most recent hiring, except when the service break is due to National Guard or Reserve military service or when a written agreement exists concerning the District's intention to rehire the employee.
- ~~2. The employee is a full-time classroom teacher.~~

### Requesting Leave

If the need for the FMLA leave is foreseeable, an employee must provide the Superintendent or designee with at least 30 days' advance notice before the leave is to begin. If 30 days' advance notice is not practicable, the notice must be given as soon as practicable. The employee shall make a reasonable effort to schedule a planned medical treatment so as not to disrupt the District's operations, subject to the approval of the health care provider administering the treatment. The employee shall provide at least verbal notice sufficient to make the Superintendent or designee aware that he or she needs FMLA leave, and the anticipated timing and duration of the leave. Failure to give the required notice for a foreseeable leave may result in a delay in granting the requested leave until at least 30 days after the date the employee provides notice.

### Certification

Within 15 calendar days after the Superintendent or designee makes a request for certification for a FMLA leave, an employee must provide one of the following:

1. When the leave is to care for the employee's covered family member with a serious health condition, the employee must provide a **complete and sufficient** certificate ~~signed~~ **completed** by the family member's health care provider.

#### Return to Work

If returning from FMLA leave occasioned by the employee's own serious health condition, the employee is required to obtain and present certification from the employee's health care provider that he or she is able to resume work.

An employee returning from FMLA leave will be given an equivalent position to his or her position before the leave, subject to: (1) permissible limitations the District may impose as provided in the FMLA or implementing regulations, and (2) the District's reassignment policies and practices.
