

IASB Liaison August Talking Points

Below are the IASB Liaison talking points for August.

1. Save the date cards will arrive soon for upcoming Legislative Events that will happen in the fall. Locations and times will be included on those cards, and the IASB website will soon be updated with that information. This is an excellent opportunity for you to be able to ask your state legislators the questions that are important to your district. We will also draw a name from school board members in attendance, and that person will receive a free board self-evaluation for their district.
2. The Governmental Relations team is working on the 2024 End of Session Report and the Digest of Bills, which should be ready in early August. You should receive a communication about them, and they will be posted on the IASB website.
3. PRESS Issue 116 is planned for release at PRESS Online on August 1. PRESS Plus subscribers can expect to receive their customized policy updates on or around August 9.
