

BUSINESS MEMBERSHIP AGREEMENT

Maple Leaf Crossfit and Sweat Fitness of Geneseo

Under our Health Insurance Plan, the Geneseo School District holds “Business Membership” agreements with local fitness and wellness community organizations. These agreements promote overall employee wellness by allowing all District employees (both part-time and full-time) the opportunity to enroll in membership plans at discounted rates.

It is my recommendation that the District enter into a new Business Membership agreement with Maple Leaf Crossfit and Sweat Fitness Studios of Geneseo for an annual fee of \$350. This Business Membership will offer employees a 20% rate reduction. The \$350 fee paid by the District to the Community Center will be expensed out of the District’s Health Insurance Plan.
