December 2025

## ✓ Updates

- **Joint Annual Conference Highlights:** The Triple I Conference was a big success. I was able to attend several sessions that directly support the work we are doing in our district. Highlights included sessions on Continuous School Improvement, Setting District Goals and Direction, School Boarding That Makes a Difference, and a Legislative Panel with Dr. Tony Sanders, State Superintendent.
- **Strategic Planning Update:** On December 3<sup>rd</sup>, we held a planning session with IASB, administrators, and teacher leaders to map out a more specific plan for achieving our Board Goals. The team was able to explore our sub goals and map out our current work in all areas. Next steps will be to create more specific action steps with a timeline and metrics for success. I am looking forward to the work ahead that will help us continue to make Geneseo Schools a premium place for students and staff to learn and grow in a caring environment.
- **Winter Sports, Fine Arts, and Activities** – New seasons are underway with successful performances from bowling, basketball, theater and more. I hope you are able to stop by an event or two during the winter season. It means a great deal to our students to know we support them!
