

RE: GENESEO SCHOOL DISTRICT SOFTBALL SPRING TRIP

The High School Softball Program requests permission to travel to a warmer climate to play during the Spring break. As in the past, no player is required to participate and consequences beyond missing the games and activities of the trip will not be invoked if a player does not participate. Individual fees will be held as low as possible and no player will be denied due to inability to pay. The Softball Boosters will be responsible for transportation, lodging and any activity fees.

The attached information on the Hendersonville TN, Commando Classic details our intention as of this date. Due to the lack of formal acceptance, from the Board and the Tournament, no plans are finalized.

Items of note:

- Hendersonville is a Nashville suburb.
- Itinerary would include 2 to 3 games per day (up to 4 varsity and 4 JV)
Plus whatever Nashville sites that can be scheduled.
- Trip is 9 hours - so we would likely travel Sunday and Thursday (or Friday, if necessary)
I have requested that the games be bunched into 3 days, (eliminating Thurs. games),
But have nothing confirmed.
- Up to 20 players and 7 coaches travel in vans and Pettit Durango pulling equipment trailer as per all season road games.
- If it is not appropriate or available to use school vehicles, rental vans are \$400 per week w/unlimited mileage.
- Lodging will be handled similar to all previous trips.

Thank you for your consideration of this plan. We have searched long for an alternative to the expense of Florida and hope this is found to be acceptable.

Sincerely,

2011 Commando Classic

Posted on: Wednesday, August 11, 2010

The Commando Classic is entering its 16th year. The dates for the tournament are March 14th through the 19th. Last year 52 teams entered the tournament. There are two forms that can be downloaded for this years tournament. The first form is the tournament information and the second form is the entry form. There are a few options a team can do for the tournament. The tournament filled up fast last year and there were a few teams on the waiting list. We look forward to seeing everyone at the 16th Lady Commando Classic.

To download the forms, please go to camps and clinics under varsity softball tab. Unfortunately, the website does not allow me to add the forms here.

Dear Coach:

I hope your school year has started off great and you are doing well. Here is the information on the 2011 Commando Softball Classic Softball Tournament. Since the TSSAA cut out most of our pre-season I am offering teams an opportunity to play several games the first week.

(Option A) four game guarantee, \$200.00, two days. Friday March 18th and Saturday March 19th. Two pool games on Friday, one pool game on Saturday + single elimination tournament.

(Option B) six game guarantee, \$225.00, two games on Thursday, two on Friday and one Saturday morning + single elimination tournament. March 17th, 18th, 19th.

(Option C) eight, ten, or twelve game guarantee. You can play Monday, Tuesday, Wednesday, Thursday, Friday and Saturday or a combination of any of these days. This will be part of the tournament. If you play any of these days and it gets rained out you will have to count it as a tournament (4 games) on your schedule. It will cost \$25.00 per day extra and you will get two extra games per day. March 14th, 15th, 16th, 17th, 18th, and 19th.

Balls will be furnished for the tournament, there will be a hospitality room for coaches, and concession stands will be open for players and fans. Awards will be awarded for first and second place teams. There will be a tournament MVP and an all-tournament team.

I am giving the schools that have played in my tournament in the past the first opportunity to enter, and will open it to other schools after that. We will limit the tournament to 52 teams. I have had as many as 64, but last year it worked out great with only 52.

I will send you an e-mail to verify that I have received your entry form. If you do not get the e-mail within a few days of sending your entry form please give me a call. Once the field is full it is impossible to add teams.

Thank you very much,

Coach Andy Griffin
