

Operations Update May 2015

Activity Bus. The District has received an insurance settlement check for the damaged 2010 Multi Function School Activity Bus for \$38,000. A new bus will be leased this summer and available for use for the 2015-16 school year.

Surplus Property Update. The Old Unit Office has been resurveyed to accommodate a minor property line adjustment and a limited use easement for the buyer. All other legal work is done and a closing date should be announced for early June.

Bus referrals and student behavior on buses. We have seen a significant decline in the number of student behavior bus referrals since the implementation of bus cameras. Currently a 65% decrease compared to semester 1 and a 49% decrease compared to second semester last year.
