

**Press Box
Geneseo High School
Bid Recommendation
April 8, 2010**

Bids for the construction of a new press box at Geneseo High School were received and opened on Thursday, March 4, 2010 at 2:00 P.M. at the Unit Office. See the "BID TAB" sheet for a complete listing of bidders and their bids.

The Operations Committee discussed these bids at their meeting on March 24, 2010. At this time, we don't feel that it is the best interest of our school district to proceed with this project in this capacity at these costs. Scott Johnson, our architect, will be directed to reexamine the press box to see if "repair" work can be done to it and at lower cost.

Therefore, the recommendation to the Geneseo Board of Education is to reject all of the bids for the H.S. press box.

Jack Schlindwein

BID TAB FOR PRESS BOX REPLACEMENT AT GENESEO H.S.
