Dear School Board

Alex Williams was a 2017 graduate and was tragically killed in July 2018.

We are hoping to purchase 2 benches for outside the band room. Here are some of the relevant details:

1. Alex was very involved in Band (Marching, Jazz, Pep).
2. He was also the John Phillip Sousa Award winner for 2017.
3. Kelli and I are definitely **“professional band moms”** and for years before our boys could drive, our boys would wait (along with many other band students), outside the band room door to be picked up. We thought this might be a perfect space to have 2 benches for band kids as they wait for their rides.

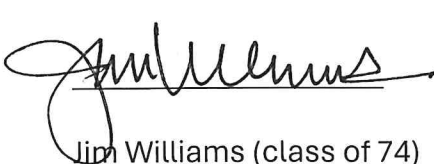

Placement of the benches we know will ultimately be up to the school, but we have a couple of suggestions:

Option 1 - To the Right of the main band room doors – could do 2 benches.

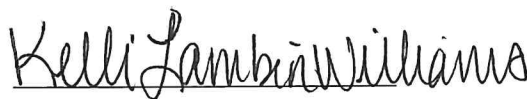

Option 2 - To the right of the new band room door (not as commonly used for kids waiting)  
(grassy area)

4. The bench company we selected is the same company that created benches for Luke Teerlink & Trevor Schefsky. We selected a different style. But this is a commercial grade company who specializes in benches in commercial and high traffic areas.
5. Jim & Kelli Williams have selected a couple quotes that would potentially be on the bench (see attached).

We respectfully request that we are allowed to make a gift of 2 benches to the Geneseo High School in Alex's honor.

### Recycled Plastic Park Benches with & without a Backrest

Personalized benches make wonderful gifts. Combine the strength of 2" x 6" recycled plastic backrest planks with a 2-3/4" thick molded frame and you have park benches with the rugged durability that many outdoor scenarios demand. All stainless steel fasteners are included. Available in the colors shown below.

#### Specifications

- 4' Models have Two Frame Legs
- 6' Models have Three Frame Legs
- 8' Models have Four Frame Legs

### Custom Router & Engraving

Personalize your bench with an engraved message or custom inlayed plaque. Square, rectangle, circle or oval shaped; plaque is supplied by customer and exact dimensions must be provided. At an additional charge, engraved lettering can be filled with a glossy resin inlay available in the resin color options as shown. Standard fonts are 'Times New Roman' and 'Arial'.
