

Geneseo Education Foundation

“Funding Educational Excellence Since 1990”

Dear Members of the Board of Education,

I am writing on behalf of the Geneseo Education Foundation to extend our heartfelt appreciation for your unwavering partnership and support throughout the years.

During our recent board meeting on November 7, our treasurer, Roger Eickman, wanted to share a significant milestone that the Geneseo Education Foundation has achieved. We are delighted to share that our organization has proudly contributed over \$4 million to enhance the quality of education and broaden access to educational resources for the students of the Geneseo School District.

This momentous achievement was officially announced earlier this summer at the annual Chamber Dinner held at Lavender Crest, an event that many of you likely attended. We are enthusiastic about the prospect of commemorating this remarkable accomplishment with a celebratory event in early 2024.

Once again, we want to express our deep gratitude for your continuous support, which has played an instrumental role in helping us achieve this significant milestone.

Warm regards,

Sharon Neumann
Director of Geneseo Education Foundation (GEF)
