Program for the Gifted

The School Board recognizes the principle that all gifted and talented students should be provided with access to educational programs appropriate to their needs. To the extent possible within the resources available, all gifted and talented students shall have an opportunity to participate in appropriate programs.

The Superintendent or designee shall implement an education program for gifted and talented learners that will challenge and motivate academically advanced learners and engage them in appropriately differentiated learning experiences to develop their unique abilities. If the State Superintendent of Education issues a Request for Proposals because sufficient State funding is available to support local programs of gifted education, the Superintendent or designee shall inform the Board concerning the feasibility and advisability of developing a “plan for gifted education” that would qualify for State funding.

Eligibility to participate in the gifted program shall not be conditioned upon race, religion, sex, disability, or any factor other than the student’s identification as gifted or talented learner.

The School Board will monitor this program’s performance by meeting periodically with the Superintendent or designee to determine and/or review the indicators and data that evidence whether the educational program for gifted and talented learners is accomplishing its goals and objectives and is otherwise in compliance with this policy.

Accelerated Placement Program

The District provides an Accelerated Placement Program (APP). The APP advances the District's goal of providing educational programs with opportunities for each student to develop to his or her maximum potential. The APP provides an educational setting with curriculum options usually reserved for students who are older or in higher grades than the student participating in the APP. APP options include, but may not be limited to: (a) accelerating a student in a single subject; (b) other grade-level acceleration; and (c) early entrance to kindergarten or first grade. Participation in the APP is open to all students who demonstrate high ability and who may benefit from accelerated placement. It is not limited to students who have been identified as gifted and talented. Eligibility to participate in the District's APP shall not be conditioned upon the protected classifications identified in School Board policy 7:10, *Equal Educational Opportunities*, or any factor other than the student's identification as an accelerated learner.

The Superintendent or designee shall implement an APP that includes:

1. Decision-making processes that are fair, equitable, and involve multiple individuals, e.g. District administrators, teachers, and school support personnel, and a student's parent(s)/guardian(s);
2. Notification processes that notify a student's parent(s)/guardian(s) of a decision affecting a student's participation in the APP; and
3. Assessment processes that include multiple valid, reliable indicators.

The Superintendent or designee shall annually notify the community, parent(s)/guardian(s), students, and school personnel about the APP, the process for referring a student for possible evaluation for accelerated placement, and the methods used to determine whether a student is eligible for accelerated placement. Notification may: (a) include varied communication methods, such as student handbooks and District or school websites; and (b) be provided in multiple languages, as appropriate.

Bring Your Own Technology (BYOT) Program: Responsible Use and Conduct

The Superintendent or designee shall establish a *Bring Your Own Technology (BYOT) Program*. The program will:

1. Promote educational excellence by facilitating resource sharing, innovation, and communication to enhance (a) technology use skills; (b) web-literacy and critical thinking skills about Internet resources and materials, including making wise choices; and (c) habits for responsible digital citizenship required in the 21st century.
2. Provide sufficient wireless infrastructure within budget parameters.
3. Provide access to the Internet only through the District's electronic networks.
4. Identify approved BYOT devices and what District-owned technology devices may be available; e.g., laptops, tablet devices, E-readers, and/or smartphones.
5. Align with Board policies 4:140, *Waiver of Student Fees*; 5:125, *Personal Technology and Social Media; Usage and Conduct*; 5:170, *Copyright*; 6:120, *Education of Children with Disabilities*; 6:235, *Access to Electronic Networks*; 7:140, *Search and Seizure*; 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*; 7:190, *Student Behavior*; and 7:340, *Student Records*.
6. Provide relevant staff members with BYOT professional development opportunities, including the provision of:
 - a. Classroom management information about issues associated with the program, e.g., technical support, responsible use, etc.;
 - b. A copy of or access to this policy and any building-specific rules for the program;
 - c. Additional training, if necessary, about 5:170, *Copyright*; and
 - d. Information concerning appropriate behavior of staff members as required by State law and policy 5:120, *Employee Ethics; Conduct; and Conflict of Interest*.
7. Provide a method to inform parents/guardians and students about this policy.
8. Include the program in the annual report to the Board as required under policy 6:10, *Education Philosophy and Objectives*.

The District reserves the right to discontinue its BYOT program at any time. The District does not provide liability protection for BYOT devices, and it is not responsible for any damages to them.

Responsible Use

The District recognizes students participating in the program as responsible young adults and holds high expectations of their conduct in connection with their participation in the program. Teachers may encourage students to bring their own devices as supplemental in-class materials when: (a) using the devices will appropriately enhance, or otherwise illustrate, the subjects being taught; (b) the Building Principal has approved their use and found that their use is age-appropriate; and (c) the student's parent/guardian has signed the *Bring Your Own Technology (BYOT) Program Participation Authorization and Responsible Use Agreement Form*. A student's right to privacy in his or her device is limited; any reasonable suspicion of activities that violate law or Board policies will be treated according to policy 7:140, *Search and Seizure*.

Responsible use in the program incorporates into this policy the individual's *Acceptable Use of Electronic Networks* agreement pursuant to policy 6:235, *Access to Electronic Networks*. Responsible use also incorporates the established usage and conduct rules in policy 5:125, *Social Media and Personal Technology; Usage and Conduct*, for staff and 7:190, *Student Behavior*, for students. Failure to follow these rules and the specific BYOT program student guidelines may result in: (a) the loss of access to the District's electronic network and/or student's BYOT privileges; (b) disciplinary action pursuant to 7:190, *Student Behavior*; 7:200, *Suspension Procedures*; or 7:210, *Expulsion Procedures*; and/or (c) appropriate legal action, including referrals of suspected or alleged criminal acts to appropriate law enforcement agencies.

School Admissions and Student Transfers To and From Non-District Schools**Age** [*Elementary or Unit Districts only*]

To be eligible for admission, a child must be five years old on or before September 1 of that school term. A child entering first grade must be six years of age on or before September 1 of that school term. Based upon an assessment of a child's readiness to attend school, the District may permit him or her to attend school prior to these dates. A child will also be allowed to attend first grade based upon an assessment of his or her readiness if he or she attended a non-public preschool, continued his or her education at that school through kindergarten, was taught in kindergarten by an appropriately licensed teacher, and will be six years old on or before December 31. A child with exceptional needs who qualifies for special education services is eligible for admission at three years of age. Early entrance to kindergarten or first grade may also be available through Board policy 6:135, *Accelerated Placement Program*.

Admission Procedure

All students must register for school each year on the dates and at the place designated by the Superintendent. Parents/guardians of students enrolling in the District for the first time must present:

1. A certified copy of the student's birth certificate. If a birth certificate is not presented, the Superintendent or designee shall notify in writing the person enrolling the student that within 30 days he or she must provide a certified copy of the student's birth certificate. A student will be enrolled without a birth certificate. When a certified copy of the birth certificate is presented, the school shall promptly make a copy for its records, place the copy in the student's permanent record, and return the certified copy to the person enrolling the child. If a person enrolling a student fails to provide a certified copy of the student's birth certificate, the Superintendent or designee shall immediately notify the local law enforcement agency, and shall also notify the person enrolling the student in writing that, unless he or she complies within ten days, the case will be referred to the local law enforcement authority for investigation. If compliance is not obtained within that ten-day period, the Superintendent or designee shall so refer the case. The Superintendent or designee shall immediately report to the local law enforcement authority any material received pursuant to this paragraph that appears inaccurate or suspicious in form or content.
2. Proof of residence, as required by Board policy 7:60, *Residence*.
3. Proof of disease immunization or detection and the required physical examination, as required by State law and Board policy 7:100, *Health, Eye, and Dental Examinations; Immunizations; and Exclusion of Students*.

The individual enrolling a student shall be given the opportunity to voluntarily state whether the student has a parent or guardian who is a member of a branch of the U.S. Armed Forces and who is either deployed to active duty or expects to be deployed to active duty during the school year. Students who are children of active duty military personnel transferring will be allowed to enter: (a) the same grade level in which they studied at the school from which they transferred, if the transfer occurs during the District's school year, or (b) the grade level following the last grade completed.

Homeless Children

Any homeless child shall be immediately admitted, even if the child or child's parent/guardian is unable to produce records normally required for enrollment. Board policy 6:140, *Education of*

Homeless Children, and its implementing administrative procedure, govern the enrollment of homeless children.

Foster Care Students

The Superintendent will appoint at least one employee to act as a liaison to facilitate the enrollment and transfer of records of students in the legal custody of the Ill. Dept. of Children and Family Services when enrolling in or changing schools.

Student Transfers To and From Non-District Schools

A student may transfer into or out of the District according to State law and procedures developed by the Superintendent or designee. A student seeking to transfer into the District must serve the entire term of any suspension or expulsion, imposed for any reason by any public or private school, in this or any other state, before being admitted into the School District.

Foreign Students [*High School or Unit Districts only*]

The District accepts foreign exchange students with a J-1 visa and who reside within the District as participants in an exchange program sponsored by organizations screened by administration. Exchange students on a J-1 visa are not required to pay tuition.

Privately sponsored exchange students on an F-1 visa may be enrolled if an adult resident of the District has temporary guardianship, and the student lives in the home of that guardian. Exchange students on an F-1 visa are required to pay tuition at the established District rate. F-1 visa student admission is limited to high schools, and attendance may not exceed 12 months.

The Board may limit the number of exchange students admitted in any given year. Exchange students must comply with District immunization requirements. Once admitted, exchange students become subject to all District policies and regulations governing students.

Re-enrollment [*High School or Unit Districts only*]

Re-enrollment shall be denied to any individual 19 years of age or above who has dropped out of school and who could not earn sufficient credits during the normal school year(s) to graduate before his or her 21st birthday. However, at the Superintendent's or designee's discretion and depending on program availability, the individual may be enrolled in a graduation incentives program established under 105 ILCS 5/26-16 or an alternative learning opportunities program established under 105 ILCS 5/13B-1 (see 6:110, *Programs for Students At Risk of Academic Failure and/or Dropping Out of School and Graduation Incentives Program*). Before being denied re-enrollment, the District will offer the individual due process as required in cases of expulsion under policy 7:210, *Expulsion Procedures*. A person denied re-enrollment will be offered counseling and be directed to alternative educational programs, including adult education programs that lead to graduation or receipt of a GED diploma. This section does not apply to students eligible for special education under the Individuals with Disabilities Education Improvement Act or accommodation plans under the Rehabilitation Act, Section 504.
