

	ACTIVITY	NOTES	PROGRESS
<i>Create a Safe and Caring Environment</i>	<b>Review and discuss preliminary design and options for Fine Arts Center addition to GHS</b>	District engaged architect to design space. Need exists to gather feedback and to do a needs assessment.	Mr. Schlindwein will facilitate a study group beginning after January 1, 2011.
	<b>Review Geothermal Efficiency of Millikin Project</b>	We need to do an energy audit to see whether or not we are using less overall energy at Millikin.	Mr. Schlindwein has been working with Sterling school officials, and our utility providers to identify possible reporting mechanisms.
	<b>Evaluate Elementary Class Size</b>	Committee has already begun work. Looking towards a recommendation in November/December 2010. This would also include possible facility needs for elementary classes.	Final meeting has concluded with representative group. Initial report with recommendations presented to Board of Education at December meeting.
<i>Create Climate that Maximizes Student Achievement</i>	<b>Review and revise as necessary the Board Policy for Academic Targets.</b>	Proposal to create a representative work group to review the policy and make any appropriate change recommendations to the policy and implementation plans necessary before conclusion of 2010-11 school year.	Dr. Swanson and Mr. Hauge will be facilitating a study group after the end of the first semester.
	<b>Prepare for Digital Evolution and short-term and long-range planning for 1:1 Computing Grades 6-12</b>	Commence with a Needs Assessment, research and Best Practices audit for utilizing individual technology tools and prepare a recommendation before end of 2010-11 school year.	Mr. DeBaene and Mr. O'Dell will be facilitating a study group that will begin after the first semester.
	<b>Review implementation of K-5 Science Curriculum</b>	Utilize feedback from K-5 teachers and results from student science learning to evaluate program.	Mr. Kuffel will be charging the elementary leadership teams to identify key points that should be reviewed for fidelity of science implementation.
	<b>Review Implementation of K-5 Literacy Improvements</b>	Evaluate results from Spring, 2010 changes to assessment and personnel practices.	Dr. Swanson has developing initial monitoring template. Mr. Kuffel will be meeting with Grades 3-5 teachers to review "best practices". Reading Specialists have developed Individual Learning Profiles for struggling readers.
<i>Responsibly Steward District Finances</i>	<b>Work with GSFEF on Equipment Purchases for GFAC</b>	Develop a resolution and payment system to reimburse GSFEF for non-building contents.	COMPLETED
	<b>Collaborate with District Leadership Team and Board of Education to design model for Budget Parameters and Prioritization</b>	Develop system for budget development that works from classrooms up to buildings and exhibits District priorities. Periodic monitoring of Building Teams and PIC also.	
	<b>Design a Program Evaluation Model</b>	Develop tools that equitably and fairly evaluate District programs and initiatives.	Presentation of initial drafts are included with December Board packet items.
