

## **General Personnel**

### **Workplace Harassment Prohibited**

The School District expects the workplace environment to be productive, respectful, and free of unlawful harassment. District employees shall not engage in harassment or abusive conduct on the basis of an individual's race, religion, national origin, sex, sexual orientation, age, citizenship status, disability, or other protected status identified in Board policy 5:10, *Equal Employment Opportunity and Minority Recruitment*. Harassment of students, including, but not limited to, sexual harassment, is prohibited by Board policy 7:20, *Harassment of Students Prohibited*.

### **Sexual Harassment Prohibited**

The School District shall provide a workplace environment free of unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct, or communications constituting harassment on the basis of sex as defined and otherwise prohibited by State and federal law.

District employees shall not make unwelcome sexual advances or request sexual favors or engage in any unwelcome conduct of a sexual nature when: (1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment; (2) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or (3) such conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment. Sexual harassment prohibited by this policy includes verbal and/or physical conduct. The terms intimidating, hostile, or offensive include, but are not limited to, conduct that has the effect of humiliation, embarrassment, or discomfort. Sexual harassment will be evaluated in light of all the circumstances.

### **Making a Complaint; Enforcement**

A violation of this policy may result in discipline, up to and including discharge. Any person making a knowingly false accusation regarding harassment will likewise be subject to disciplinary action, up to and including discharge. An employee's employment, compensation, or work assignment shall not be adversely affected by making a bona fide complaint or providing truthful information about harassment. Retaliation against employees for bringing bona fide complaints or providing information about harassment is prohibited (see Board policy 2:260, *Uniform Grievance Procedure*).

Aggrieved persons, who feel comfortable doing so, should directly inform the person engaging in the harassing conduct or communication that such conduct or communication is offensive and must stop.

Employees should report claims of harassment to the Nondiscrimination Coordinator and/or use the Board policy 2:260, *Uniform Grievance Procedure*. Employees may choose to report to a person of the employee's same sex.

There are no express time limits for initiating complaints and grievances under this policy; however, every effort should be made to file such complaints as soon as possible, while facts are known and potential witnesses are available.

## Students

### Attendance and Truancy

#### Compulsory School Attendance

This policy applies to individuals who have custody or control of a child: (a) between the ages of 7 and 17 years of age (unless the child has graduated from high school), or (b) who is enrolled in any of grades, kindergarten through 12, in the public school regardless of age. These individuals must cause the child to attend the District school wherein the child is assigned, except as provided herein or by State law. Subject to specific requirements in State law, the following children are not required to attend public school: (1) any child attending a private school (including a home school) or parochial school, (2) any child who is physically or mentally unable to attend school (including a pregnant student suffering medical complications as certified by her physician), (3) any child lawfully and necessarily employed, (4) any child over 12 and under 14 years of age while in confirmation classes, (5) any child absent because his or her religion forbids secular activity on a particular day, and (6) any child 16 years of age or older who is employed and is enrolled in a graduation incentives program.

The parent/guardian of a student who is enrolled must authorize all absences from school and notify the school in advance or at the time of the student's absence. A valid cause for absence includes illness, observance of a religious holiday, death in the immediate family, family emergency, other situations beyond the control of the student, other circumstances that cause reasonable concern to the parent/guardian for the student's safety or health, or other reason as approved by the Superintendent or designee.

**Any absence that is not excused will be considered unexcused or truant, including vacation days, regardless if the vacation is pre-planned and the school is notified.**

#### Absenteeism and Truancy Program

The Superintendent or designee shall manage an absenteeism and truancy program in accordance with the School Code and School Board policy. **Documentation may be required explaining the reason for the student's absence.** The program shall include but not be limited to:

1. A protocol for excusing a student from attendance who is necessarily and lawfully employed. The Superintendent or designee is authorized to determine when the student's absence is justified.
2. A process to telephone, within 2 hours after the first class, **(before 10:00 a.m.)**, the parents/guardians of students in grade 8 or below who are absent without prior parent/guardian notification.
3. A process to identify and track students who are truants, chronic or habitual truants, or truant minors as defined in the School Code, Section 26-2a.
4. Methods for identifying the cause(s) of a student's unexcused absenteeism, including interviews with the student, his or her parent(s)/guardian(s), and staff members or other people who may have information.
5. The identification of supportive services that may be offered to truant or chronically truant students, including parent-teacher conferences, student and/or family counseling, or information about community agency services. See Board policy 6:110, *Programs for Students At Risk of Academic Failure and/or Dropping Out of School and Graduation Incentives Program*.

6. A process to request the assistance and resources of outside agencies, such as, the juvenile officer of the local police department or the truant office of the appropriate Regional Office of Education, if truancy continues after supportive services have been offered.
7. A protocol for cooperating with non-District agencies including County or municipal authorities, the Regional Superintendent, truant officers, the Community Truancy Review Board, and a comprehensive community based youth service agency. Any disclosure of school student records must be consistent with Board policy 7:340, *Student Records*, as well as State and federal law concerning school student records.
8. An acknowledgement that no punitive action, including out-of-school suspensions, expulsions, or court action, shall be taken against a chronic truant for his or her truancy unless available supportive services and other school resources have been provided to the student.
9. The criteria to determine whether a student's non-attendance is due to extraordinary circumstances shall include economic or medical necessity or family hardship and such other criteria that the Superintendent believes qualifies.
10. A process for a 17-year-old resident to participate in the District's various programs and resources for truants. The student must provide documentation of his/her dropout status for the previous 6 months. A request from an individual 19 years of age or older to re-enroll after having dropped out of school is handled according to provisions in 7:50, *Students School Admissions and Student Transfers To and From Non-District Schools*.
11. A process for the temporary exclusion of a student 17 years of age or older for failing to meet minimum academic or attendance standards according to provisions in State law. A parent/guardian has the right to appeal a decision to exclude a student.
