

IASB Liaison December Talking Points

Below are the IASB Liaison talking points for December.

1. Thank you to those of you who attended the Joint Annual Conference! Please take some time with the full board to share what you learned and what your district might begin to implement based on these learnings.
2. If you have a success story you'd like to share with others, watch for the Request for Proposals to Present at the 2025 Joint Annual Conference, which will be posted in December.
3. As the election season approaches, IASB will continue to offer webinars on various election topics. There is also an archived section in case you missed something. This information can be found [here](#).

Please reach out if there is anything I can do to assist you and your board.

Thank you,

Katie Bulava
Director, Outreach & Training
Illinois Association of School Boards
