Pre-k Tuition Recommendation to the Board of Education for the 2019-20 School Year

Based on feedback from the community survey, preliminary budget figures, and the unknown awarding of other funds from other outside sources, our recommendation to the Board of Education for the 2019-2020 school year is to charge families **\$100 per month** to offset operating costs to offer the District's preschool program.

Those who qualify for free or reduced status will be honored under this system.
