You belong at the National School Boards Association's 2010 Annual Conference!

Gather with colleagues April 10-12, 2010, in Chicago, Illinois at McCormick Place and find solutions to your shared challenges. NSBA's 70th Annual Conference includes insightful speakers, expert advice, and hundreds of educational workshops and sessions. You'll take home valuable insights and proven strategies that will promote teamwork among your board, help you find funding solutions, and increase student achievement in your district.

Mark your calendar with these important dates:

- Registration is now open!
- Housing opens October 7, 2009
- Early registration discount deadline is December 30, 2009

View the video above to see what's in store for you in Chicago!

Wondering what to expect in Chicago?

Many details of the 2010 Conference are still being finalized – be sure to check this site often for the latest speakers, special events, and details on the many sessions and workshops being planned.

Saturday, April 10 and Sunday, April 11 General Session speakers announced

Emmy-winning broadcast journalist Charlie Rose will address the Saturday, April 10 General Session. Grammy-winning jazz musician and arts education advocate, Wynton Marsalis, will give a special talk and performance at the Sunday, April 11 General Session.

Stay tuned — the Monday General Session speaker will be announced soon.

Be sure to plan early — see why it's more important than ever to attend!

About the Conference

Also in this section:

The 2010 NSBA Annual Conference in Chicago, Illinois features a strong programming line-up to help you find solutions, demonstrate accountability, and work together to improve student achievement in your district.

- About the Conference
- About NSBA
- Why Attend
- Conference Fees
- Convention Center Location
- Future Conference Dates

Whether you are a veteran board member, a superintendent, a board support professional, or a first-time attendee, you'll take back practical ideas and a renewed commitment to help your board accomplish the important work ahead.

The three-day Conference includes everything you need to become a more effective leader:

- Inspirational General Session speakers.
- Topical sessions and workshops covering all facets of school governance.
- Enhanced programming in 21st Century Learning and Health and Wellness.
- New products and services showcased at the NSBA Exposition.
- Numerous opportunities to network and collaborate with your peers.
- Energizing site visits, tours, and special events.

We believe that by coming together, sharing knowledge, and defining our leadership roles, we can advance student achievement at home and improve public education across the country.

Join a nationwide network of your colleagues at the 2010 NSBA Annual Conference. There's no better way to demonstrate you are accountable to your community and committed to leading the way forward in your school district.

Mark your calendars and register today! We'll see you in Chicago.
