

New Proposed 3-Year Calendar Rationale

Having a 3-year calendar in place allows all stakeholders an opportunity to plan out important yearly events. I started the process by using the previous calendars as a template. I shared the calendars with the admin team who in turn shared it with their Building Leadership Teams for feedback. Some minor adjustments were made, before presenting this draft to you for consideration. The new 3-year calendar tries to encompass the following:

1. It is important to have balanced semesters at the high school level for our semester classes. The proposed calendar has 85 days scheduled for 1st semester and 91 for 2nd semester. This school year we have 80 days for 1st semester and 96 for 2nd semester, which is causing some issues.
2. It is preferred to have 1st semester end before Christmas break.
3. School code calls for 176 days of student attendance and 185 total days (including emergency days) be listed on each calendar.
4. Thanksgiving break, Christmas break, Spring break, and Easter breaks remain intact.
5. Although we are starting slightly earlier than in previous years, we are expediting and expanding our online registration process to make the beginning of the year processes easier for our office personnel. Having air conditioning in each building will alleviate any concerns over excess heat during those weeks. There are no major construction projects slated for this summer to cause us to delay our start date.
