

GENESEO

COMMUNITY UNIT
SCHOOL DISTRICT #228

Where the *future* grows.

September 9, 2021

Recommend to the Geneseo CUSD 228 Board of Education to authorize the District Central Office to submit the ISBE School Maintenance Project Grant application for FY22.

This grant is a matching grant up to \$50,000. The “local match requirement” will come from the Capital Projects Fund surplus. The project recommended in the grant application will be a Middle School cafeteria floor replacement. Total project estimated cost is \$100,000, local match requirement would be \$50,000. Work would be completed in the summer of 2022.

Respectfully submitted,

Tim Gronski
