Hi Jill, we have no active leases that I am aware of and only license I can think of would be WGRG. Will defer to Keith on license associated with our 100.5 if applicable..

Aloha

James

We have no leases or licenses related to TV50 or WGRG to my knowledge. We do have an FCC license to operate WGRG, of which the type of antenna, transmitter, etc is certified ... but it's not related to a lease or license for sighting the antenna and transmitter. There also is no fee or payment involved with it.
