

Health/Life Safety Corrective Work and Air Conditioning Bid Approval January 7, 2009

Bids for Health/Life Corrective Work and Air Conditioning at Geneseo High School were received and opened on Tuesday, December 30, 2008 at 2:00 P.M. at the Unit Office. See the "BID TAB" sheet for a complete listing of bidders and their bids. Listed below is a brief summary of the bids that will be recommended to the Board at this meeting:

Base bid – air conditioning - lowest bidder:	J.L. Brady
Base bid amount:	\$481,994
Alternate Bid #1 (Boiler Repair at H.S.):	\$ 24,070
Alternate Bid #2 (Dust Collection System):	\$ 27,645
Alternate Bid #3 (A/C in Kitchen):	\$ 47,816

The Operations Committee met on Friday, January 2, 2009 to review these bids, prior to this recommendation to the School Board. The dust collection system and boiler repair work are both Health/Life Safety items (Geneseo H.S. Amendment #44). Therefore, \$529,810 of the bid will NOT be H/L Safety items (air conditioning the H.S. and the kitchen).

The Operations Committee is seeking Board approval for the base bid and all of the alternate bids at this meeting.
